Any Known Blood Lawrence Hill

Langston Cane V is 38, divorced and working as a government speechwriter, until he's fired for sabotaging the minister's speech. It seems the perfect time for Langston, the eldest son of a white mother and prominent black father, to embark on a quest to discover his family's past -- and his own sense of self.

Any Known Blood follows five generations of an African-Canadian-American family in a compelling story that slips effortlessly from the slave trade of 19th-century Virginia to the modern, predominantly white suburbs of Oakville, Ontario -- once a final stop on the Underground Railroad. Elegant and sensuous, wry and witty, it is an engrossing tale about one man's attempt to find himself through unearthing and giving voice to those who came before him.
