Forgive us our Trespasses

Mother Mary Loyola, Lisa Bergman

Forgive us our Trespasses Mother Mary Loyola, Lisa Bergman

Mother Loyola's work on the subject of Confession is not merely groundbreaking, but seems to form one of the most crucial of her strengths, given that the Sacrament of Penance has always been the most avoidable and avoided of all; most Catholics express a distaste for it akin to torment. For her readers, however, such angst is inconceivable, as she does not merely help to remove all fear and discomfort associated with the Confessional; she also enkindles a deep sense of appreciation for the gift of the sacrament. This, in turn, fosters an eager anticipation of the grace it confers. Those who make use of Forgive us our Trespasses-whether children or adults-will find themselves seeking this healing Sacrament with regularity.

Please note: this is considered a revised edition due to the correction of errors in the original text, the addition of selected footnotes, and minor clarifications in punctuation or phrasing. No material has been removed or rewritten.
