## **Model for Murder** Stephen Marlowe

Armchair fiction presents extra large paperback editions of the best in classic Mystery-Crime novels. This gritty tale, "Model for Murder," is written by highly acclaimed mystery writer, Stephen Marlowe. It was three murders for the price of one. There weren't too many guys around who would take a two-year stretch in prison for someone else's crime, but that's exactly what Jason Chase did for his brother, Ken. And to show his gratitude, Ken then married Jason's girlfriend while he lay wasting away in a dank prison cell—talk about brotherly love! However, Ken did have a big fat check for a hundred grand waiting for Jason when he got out of the slammer. But what Jason Chase also found waiting for him was an old gal pal who was willing to take him in. In fact she'd do just about anything for him—as long as he wouldn't sent her away. This all seemed quite nice and soothing for a guy who'd just finished doing a stretch. But then they both walked in on a grisly homicide that turned everything upside down and led them into the sleazy world of girlie magazines and blackmail—a world where more murders were sure to follow...
