New Ways to Kill Your Mother: Writers and Their Families

Colm Toibin

New Ways to Kill Your Mother: Writers and Their Families Colm Toibin

Novelist and critic Colm Tóibín explores the relationships of writers with their families and their work in the brilliant, nuanced, and wholly original *New Ways to Kill Your Mother*.

Tóibín—celebrated both for his award-winning fiction and his provocative book reviews and essays—traces the intriguing, often twisted family ties of writers in the books they leave behind.

Through the relationship between W. B. Yeats and his father, Thomas Mann and his children, Jane Austen and her aunts, and Tennessee Williams and his sister, Tóibín examines a world of relations, richly comic or savage in their implications. Acutely perceptive and imbued with rare tenderness and wit, *New Ways to Kill Your Mother* is a fascinating look at writers' most influential bonds and a secret key to understanding and enjoying their work.
