Eva Montgomery is at the peak of her career when she is viciously attacked by a stalker. While still traumatised, she makes the biggest mistake of her life - one she can never turn back from.

Sixteen years later, Eva has managed to rebuild her life in a way that seemed impossible after the attack. Her home in Dorset, high on the cliffs overlooking the sea, is as elegant as she is, but bears none of the scars. To an outsider, her world seems perfect in every way.

Then the past invades the present - with shattering consequences.

Hurt, frightened and confused, Eva struggles desperately to put right the terrible mistake she made sixteen years ago and finally break free from a past that nearly destroyed her.
