Reading is Funny! Dee Anderson

Because they're quick and fun to read, riddles can hook even reluctant readers and keep them coming back for more. Riddles also improve vocabulary, comprehension, and oral reading; enhance deductive and inductive thinking skills; and promote libraries as places for fun.

Drawing on her work with children in schools and public libraries, Dee Anderson offers easy-to-implement ideas on motivating kids to read with riddles plus a folk tale, scripts for puppet skits, sample PR handouts, reproducible games and patterns, and hundreds of carefully selected riddles, some exclusive to this book. Besides riddles on popular topics like animals, holidays, and sports (arranged alphabetically by subject for easy reference), Reading Is Funny! shares two chapters of riddles about books, libraries, and reading. You'll learn how to

- * encourage children to read more through interactive bulletin boards, puppetry, bookmaking, games, and activity sheets
- * incorporate riddles into lesson plans, story times, and book-related celebrations
- * use riddles to promote your library's services and teach library skills
- * foster an environment of fun by encouraging children to share riddles with each other
- * create your own riddles

This one-of-a-kind resource is for school librarians, children's librarians, teachers, parents, and anyone who wants to show children that reading is funny!

From reader reviews:

Teresa Hennessey:

As people who live in the actual modest era should be revise about what going on or data even knowledge to make these people keep up with the era that is certainly always change and make progress. Some of you maybe may update themselves by studying books. It is a good choice for you but the problems coming to anyone is you don't know what type you should start with. This Reading is Funny! is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Veronica Lopez:

Information is provisions for anyone to get better life, information nowadays can get by anyone on everywhere. The information can be a understanding or any news even a concern. What people must be consider while those information which is from the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one often the resource are convinced. If you get the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Reading is Funny! as your daily resource information.

Rebecca Bonnett:

The book untitled Reading is Funny! is the reserve that recommended to you to see. You can see the quality of the book content that will be shown to you actually. The language that publisher use to explained their ideas are easily to understand. The writer was did a lot of investigation when write the book, to ensure the information that they share to your account is absolutely accurate. You also can get the e-book of Reading is Funny! from the publisher to make you considerably more enjoy free time.

Robert Rascoe:

Beside this particular Reading is Funny! in your phone, it could possibly give you a way to get nearer to the new knowledge or details. The information and the knowledge you might got here is fresh from your oven so don't end up being worry if you feel like an older people live in narrow commune. It is good thing to have Reading is Funny! because this book offers to you personally readable information. Do you occasionally have book but you seldom get what it's about. Oh come on, that won't happen if you have this in your hand. The Enjoyable agreement here cannot be questionable, like treasuring beautiful island. Use you still want to miss that? Find this book in addition to read it from at this point!
