~ I was that girl who went after whatever she wanted. I was often blinded by a guys looks, and my judgement was usually based on quick decisions. It wasn’t until I saw these questions in action that my dating life changed. I will show you first hand how not using the questions cost me years in one relationship. Those years I can never get back, and looking at the situation today I had only wished someone would have given me what I am giving you right now. You are going to have the ability to get a guy to reveal some of what really makes him tick, before he can put up that shield and try to show you what he thinks you want to see. I see what life was like without these questions, and I know how powerful they can be once you know them. My wish today is that these questions give you back those days, months, or years that could have been wasted otherwise. Daytona ~
