Beg For It: A BWWM Billionaire Romance Aaliyah Jackson

With the power to make or break her career, she knew she had to obey the handsome billionaire. But what if he goes too far?

LaRea wasn't expecting much when she walked into the audition for The One, the talent reality show that had the power to make or break her budding career, except *maybe* a shot at the finals and being able to perform live.

All that changed when she met Judd in person.

Since he was a handsome, charismatic billionaire, it made sense that they wanted him to judge the competition... but his interest in LaRea seems to go far beyond a professional relationship, and when he calls her personally a few days after the audition she realizes that in this competition pleasing Judd may be far more important than pleasing the audience.

You know what they say, it's all fun and games until you miss your period...

'Beg For It' is a sexy-sweet standalone novel with a well-earned HEA. There are steamy sexual situations and drama, so this book is recommended for mature readers.
