Lie With Me Tamara Faith Berger

In this small format erotic Orlando, an unnamed woman narrates her life of lust while unnamed men describe their erotic encounters with her from their perspectives. Like Teiresias, the blind seer who has been both man and woman, we experience both sides of this dizzying story - a rhapsodic examination of love, degradation, hatred and desire, as well as a parody of the pornographic imagination that informs it. Part Jean Genet, part Molly Bloom, part Penthouse Forum, Lie With Me is a disturbing, arousing love story - and the work of an original, uncompromising new talent.
