Book One: Bushcraft 101: Survival Guide with Tips and Hacks to Help You Survive out in the Wilderness

Surviving on the bushcraft can be a challenge for anyone. Unless you are a seasoned traveler who has done this kind of surviving for many years, you probably are going to be a little lost on the right steps to take in order to stay safe. But with the right tools and a little bit of common sense, you will be able to survive no matter what the conditions are around you.

In this guidebook, you will be able to learn all of the things you need in order to be successful if you get stranded in the bushcraft.

Some of the things that you will learn in this guidebook include:

- What to do when you are stranded
- How to determine your location and to make a compass to go the right way
- How to make a shelter that will protect you
- How to purify and take care of your water to make it safe for drinking
- The different ways you can make a fire to keep warm and to cook your food.
- Different ways to get food including hunting, trapping, and fishing
- Tips to survive no matter what weather you are dealing with.

Surviving in the bushcraft can be a challenge. But with the help of this guidebook, you will be able to get started on the right foot and your chances of surviving will be much higher.

Book Two: Concealed Carry for Beginners: Fundamentals for Every Citizen Carrying a Concealed Weapon for Self-Defense

It is every person's duty and obligation to protect the lives of his family and himself. With mass shootings becoming more common place in the media, and high risk of danger in the most populated cities across the nation, having the ability to defend yourself is a no-brainer—but understand how to defend yourself legally can be difficult.

In this book, I seek to set the record straight on why carrying a gun on your body at all times isn't just a right, but a necessity. I'll show you how concealed carry laws have saved lives, and what lessons can be drawn from those examples.

Acquiring a permit to carry a concealed weapon varies from state to state—I'll show you the most common obstacles you'll find in acquiring your permit, as well as take a look at the most forgiving (and most strict) states where carrying a firearm is concerned.

The simple act of concealing a weapon is an art form in itself. This book has tips and tricks on how to keep your weapon hidden and what sort of equipment will be provide comfort and reliability for you. And for the beginner, I'll also cover the most common mistakes the concealed weapon carrier makes to ensure you look and act like a professional at all times.

Inside You Will Learn:

- The benefits of carrying a weapon every day
- When a concealed weapon can become a hindrance to your life
- Real life cases when lives were saved by a concealed weapon
- Common mistakes made by CCW license holders
- The steps to acquiring a concealed carry license
- Tips for hiding your weapon in regular clothing
- A summary of the many holsters available on the market
- How to choose a gun that's right for you
- State positions on acquiring concealed carry permits
- An explanation of reciprocity laws
- And Much More

So don't delay, purchase this book today and learn how and why to carry your concealed weapon!
