“The Cheapskate's Guide To An Unforgettable Wedding - How To Get Married In Style... For Less!” is for anyone who wants to get married in style without breaking the bank!

Yes, seriously, you can have a lavish and memorable wedding without spending tens of thousands of dollars. Many couples are only held back from having the wedding they want by the cost and this book is going to help you have the best possible wedding for the budget available to you.

As you read this book you will get practical advice and guidance showing you how to keep your costs down, keep your expenditure under control and have the best day of your life.

In “The Cheapskate's Guide To An Unforgettable Wedding - How To Get Married In Style... For Less!” you will discover:

- The Ultimate Cheapskate Wedding – find out who the ultimate cheapskate is and just how cheaply they can have a wedding, which you may not want to replicate but it gives you an idea of what is possible
- Getting Fancy in a Restaurant – one of the main areas you are likely to spend money on, so find out how to make your money go further so you have a great meal that people will remember and enjoy
- Dressing to Impress – another area where traditionally a lot of money is spent, yet you will find out ways to keep the costs down so that the bride still looks stunning, but at a fraction of the cost of an expensive, designer dress - plus ways to get the dress you want on your budget
- Budget Busting Cakes – a central point of the ceremony but still an area you can save money on without compromising on quality, style or taste - with some great ideas for keeping the costs down whilst still getting an amazing cake
- The Venue – discover how you can keep the costs down on the venue, which is often an incredibly expensive part of the wedding, with some great ideas for good value, cheaper locations than the traditional wedding venues
- Honeymooning on a Budget – find out how you can keep your honeymoon costs down, which is often one of the most expensive parts of a wedding, with some great ideas for low cost and cheaper honeymoons that are still romantic and enjoyable for the two of you
- The Other Things That Aren't So Small – there are many other smaller costs to a wedding that together can add up to thousands of dollars, so find out what many of these expenses are and how you can reduce the costs and stick to your budget

Weddings can be an incredibly expensive event and many people feel that a cheap wedding means compromising on style and romance, yet this is not necessarily correct and with the information in this book you will discover how you and your fiancé can have a wonderfully romantic and special wedding without busting the bank. With so many people under financial pressure these days, being able to keep the costs under control means you can have the wedding you want, rather than having to make do with something else.

Enjoy your wedding and making it really special as “The Cheapskate's Guide To An Unforgettable Wedding - How To Get Married In Style... For Less!” explains all about how to have a wonderful wedding on a budget. Discover today how to have a memorable, special wedding without breaking the bank!
