## **BOOK ONE EXCERPT:**

She allowed him to lead her towards the beach, where they both sat down in the sand and stared out at the ocean. Or rather, it was Cami who was staring out at the ocean. After a moment, she realized that Drew was staring at her. She turned her eyes towards him, and her breath caught at the his hungry look.

One moment they were staring at each other, the next, they were kissing. Cami didn't know how it started, but what she did know was that Drew's lips were suddenly on her own, hard and hungry, his tongue seeking entrance into her mouth.

For a split second, Cami froze. She had not been with a man since her divorce and hadn't planned on being with one now. But Drew had been so sweet, and he was so sexy, and his lips felt delicious against her own. So Cami finally allowed herself to relax, leaning into the kiss and opening her mouth to let him in.
