Trout Water: In Pursuit of the World's Most Beautiful Fish Jim Rowinski

Through extraordinary photographs and prose, *Trout Water* brings to life the waters where trout make their home, creating an intimate portrait of the nature of the living river and the fly fisherman's passion for these wild places. Every river's story is unique, but each shares a fundamental set of characteristics. *Trout Water* illustrates the compelling mystery and complexity of these rivers and the diverse trout species that call them home.

Brought to life through Jim Rowinski's artistic vision, *Trout Water* reveals the magical world of running water, elusive trout, and the bond between man and river. The book follows the geological and historical nature of trout waters, the fundamental features and characteristics that make up trout water, and the beautiful places where fishermen pursue wild trout. With an illuminating foreword by legendary fly fisherman and author Nick Lyons, this is a book that no trout fisherman should be without.
