Ranging from the polemical to the fantastical, the personal to the societal, they offer something for every taste. All experience the city as a cultural phenomenon and notice its nature and its people. Read individually they're delightful small reads, pulled together they offer a particular portrait of a global city' *Evening Standard*

'Exquisitely diverse' *The Times*

'Eclectic and broad-minded ... beautifully designed' Tom Cox, *Observer*

'A fascinating collection with a wide range of styles and themes. The design qualities are excellent, as you might expect from Penguin with a consistent look and feel while allowing distinctive covers for each book. This is a very pleasing set of books' *A Common Reader* blog

'The contrasts and transitions between books are as stirring as the books themselves ... A multidimensional literary jigsaw' *Londonist*

'A series of short, sharp, city-based vignettes - some personal, some political and some pictorial ... each inimitable author finds that our city is complicated but ultimately connected, full of wit, and just the right amount of grit' *Fabric Magazine*

'A collection of beautiful books' *Grazia*
