My Brother's Road: An American's Fateful Journey to Armenia Markar Melkonian

What do ""Abu Sindi"", ""Timothy Sean McCormack"", ""Saro"", and ""Commander Avo"" all have in common? They were all aliases for Monte Melkonian. But who was Monte Melkonian? In his native California he was once a kid in cut-off jeans, playing baseball and eating snow cones. Europe denounced him as an international terrorist. His adopted homeland of Armenia decorated him as a national hero who led a force of 4000 men to victory in the Armenian enclave of Mountainous Karabagh in Azerbaijan. Why Armenia? Why adopt the cause of a remote corner of the Caucasus whose peoples had scattered throughout the world after the early twentieth century Ottoman genocides? Markar Melkonian spent seven years unraveling the mystery of his brother's road: a journey which began in his ancestor's town in Turkey and led to a blood-splattered square in Tehran, the Kurdish mountains, the bomb-pocked streets of Beirut, and finally, to the Cold War and the unraveling of the Soviet Union. Yet, who really was this man? A terrorist or a hero? My Brother's Road is not just the story of a long journey and a short life --it is an attempt to understand what happens when one man decides that terrible actions speak louder than words.
