Second in Command Dutch Sheets, Chris Jackson

Being a leader means more than a fancy title, a big office and people who obey orders. A leader is responsible for setting an example of integrity in his organization. But what is the role of leaders who serve other leaders? *Second in Command* is written to strengthen those in the position of "right-hand man." For some, being "number two" is a training ground for an eventual promotion into top leadership, but for others it is a calling. Whether you pastor a church or are a "marketplace minister," *Second in Command* teaches you how to become a next generation leader of excellence.
