Searching for Happily Ever After

Faye O'Neill has learned the hard way that marrying Prince Charming only happens in story books, and now she's got her feet firmly planted on the ground. A fresh start in London has Faye creating a safe, secure life for herself and her two children, even if it's a life with no surprises...until she meets Jack Graham, that is. Jack charms Faye's kids and seems determined to woo--and win--the ravishing yet reluctant single mom.

Jack recognizes in Faye a heart that yearns for adventure and a chance to trust once more in fairy tales. He believes in a world where anything is possible, and where broken hearts can be healed with just one kiss. But can his tenderness restore Faye's faith in herself, and carry her away to a place where love is the sweetest magic of all?
