Shelly has always dreamed of going back to Surf Breeze. When she finally sets out on her own and buys a run down building along the popular boardwalk, she hires a sexy, but annoying contractor to help her turn it into her dream boutique. What she hadn't counted on was finding herself slowly changing with her surroundings. Fighting against an overbearing family, she'll learn to not only follow her own dreams, but stand up for something she believes in.

Marcus has been waiting his whole life for a woman who could see through the horrors he'd been through as a child, and the humor he uses to mask it all. Now that he found her, he's not quite sure what comes next.
