Tease Me Grace Paige

****Do not read this book if you do not like fast paced, erotic plots, forward thinking women, dominant and tattooed Latin men, and dirty sex. Lots of dirty sex. Extra panties are recommended. Prudes be warned: this book is HOT. For readers 18+****

Ellie Morgan has played the role of the good girl her entire life. She follows the rules, works hard, does what she's supposed to do, and rarely takes an unnecessary risk. But when she's turned down again and again for a promotion at work, Ellie decides she must do something drastic to prove her skills as a police officer to everyone at work...and to herself.

But the small drug deal she tries to bust turns out to be bigger and more dangerous than she ever imagined, and she finds herself kidnapped and smuggled across the border to Mexico. Her life is now in the hands of Alejandro Calaveras, a handsome and powerful cartel leader.

Alejandro promises not to kill her...as long as she agrees to obey him. With his dark eyes, tattoos, and devil-may-care attitude, Ellie agrees, knowing that submitting to someone as dangerous and sexy as Alejandro could be her undoing...or her escape.

From the moment he lays eyes on her, Alejandro is drawn to Ellie. As an American police officer, Ellie is the forbidden fruit, the enemy, the one who has the power to destroy him.

After he gets a taste, he wants more. And Alejandro always gets what he wants.

TEASE ME is part one of a three part novella serial.

Tease Me, coming 1.27.15

Tempt Me, coming 2.17.15

Take Me, coming 3.10.15

From reader reviews:

Lucinda Smith:

What do you think about book? It is just for students because they are still students or the item for all people in the world, what best subject for that? Simply you can be answered for that problem above. Every person has various personality and hobby for every other. Don't to be obligated someone or something that they don't wish do that. You must know how great as well as important the book Tease Me. All type of book would you see on many methods. You can look for the internet methods or other social media.

Eric Sanders:

Information is provisions for people to get better life, information today can get by anyone on everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider while those information which is in the former life are challenging be find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you obtain the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Tease Me as the daily resource information.

Christopher Arredondo:

That guide can make you to feel relax. This specific book Tease Me was colorful and of course has pictures on the website. As we know that book Tease Me has many kinds or category. Start from kids until youngsters. For example Naruto or Private eye Conan you can read and believe that you are the character on there. So , not at all of book are usually make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading this.

William Hayes:

Publication is one of source of knowledge. We can add our expertise from it. Not only for students but also native or citizen need book to know the revise information of year to help year. As we know those ebooks have many advantages. Beside most of us add our knowledge, can also bring us to around the world. From the book Tease Me we can have more advantage. Don't that you be creative people? For being creative person must choose to read a book. Merely choose the best book that ideal with your aim.
