The Five Percenters: Islam, Hip-hop and the Gods of New York

Michael Muhammad Knight

The Five Percenters: Islam, Hip-hop and the Gods of New York Michael Muhammad Knight

With a cast of characters ranging from Malcolm X to 50 Cent, Knight's compelling work is the first detailed account of the movement inextricably linked with black empowerment, Islam, New York, and hip-hop. Containing unrivalled insider access to the movement's elders, oral histories, and community literature, this fast-paced investigation uncovers the Five Percenters' icons and heritage, and examines their growing influence in urban American youth culture. Including coverage of Brooklyn turf gangs, the Attica prison uprising, 1980s crack empires, and the stars of Five Percenter rap, Knight explores the origins and development of this controversial community, and reveals the hidden reality behind the myths, rumours, and hearsay. Michael Muhammad Knight converted to Islam at the age of sixteen after reading the autobiography of Malcolm X. He is the author of *The Taqwacores*, the cult novel credited with inspiring 'Muslim Punk Rock'.
