The Inner Sibling

G. B. Miller

The Inner Sibling G. B. Miller

Playing the game of public sex is hard enough when you got the family loan shark bothering you for a piece of the action, but when your internal twin wants a piece as well, it can make you question your own sanity. Flat broke with no job, Jeannie was terrified of becoming like one of her uncle's deadbeat customers. Even though she was able to negotiate a five day reprieve, she was still stuck with the same old problem: no money. Still, God must've had an ulterior motive, because no sooner than she clicked off, a young man sat down next to her and struck up a casual conversation. A few minutes later, Jeannie was holding a card that could just be her ticket to salvation. After a brief, yet highly charged conversation with Aissa, Jeannie was determined more than ever to test her mettle as an adult movie performer. Not because she needed the money, but more to the point of proving her symbiont wrong, as well as proving to herself that she could play the game and still keep her morals intact. The Inner Sibling is not just a story about a young woman's dilemma in reconciling her values to her new career, but it's also a story about a free spirit that's crying out for adventure.
