Emmy winners, magazine editors, comedians, TV personalities, bestselling authors and social media superstars team up to bring you a laugh-out-loud book not about being a mom, but about having a mom, grandmom or mom-figure. And while it's not OK for someone else to make yo-momma jokes about your momma, it is perfectly healthy — even downright hilarious — to find the humor in your own upbringing. In fact, these writers highly recommend it. So if you think your mom is nuts, pull up a chair. You're in good company.
