## **Graffiti New York** Eric Felisbret

Decades after the movement globalized, New York is still the mecca of graffiti culture. Painting there is a badge of honor, with graffiti artists from around the globe making pilgrimages to New York for that purpose. This is the city where it all began, yet few know the back story.

*Graffiti New York* fills that gap, detailing the concepts, aesthetics, ideals, and social structures that have served as a cultural blueprint for graffiti movements across the world. The book features approximately 1,000 images, complemented by texts by the authors and relevant players in the movement, as well as descriptive graphics and sidebars.

Ranging from the birth of simple signature tags to today's vibrant murals, and covering the ups and downs of the movement, the culture's value system, its social framework, the various forms of graffiti, and significant artists and crews, *Graffiti New York* is a major addition to Abrams' superb books on graffiti art.

### From reader reviews:

#### Lawrence Seay:

As people who live in often the modest era should be up-date about what going on or information even knowledge to make these people keep up with the era and that is always change and move forward. Some of you maybe will update themselves by examining books. It is a good choice for yourself but the problems coming to a person is you don't know what kind you should start with. This Graffiti New York is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.

#### Tina Alley:

This book untitled Graffiti New York to be one of several books in which best seller in this year, honestly, that is because when you read this e-book you can get a lot of benefit onto it. You will easily to buy this kind of book in the book retail store or you can order it via online. The publisher with this book sells the e-book too. It makes you quickly to read this book, since you can read this book in your Cell phone. So there is no reason to you to past this publication from your list.

#### Kristi Rowden:

Reading a guide tends to be new life style on this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire all their reader with their story or even their experience. Not only situation that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors nowadays always try to improve their expertise in writing, they also doing some exploration before they write with their book. One of them is this Graffiti New York.

#### Russell Howell:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Graffiti New York can make you sense more interested to read.
