**Hush (Tangleheart) (Volume 1)** Carey Baldwin

**A romantic suspense novella (100 pages)** from award winning author Carey Baldwin.

**Anna Kincaid was the turned-down page corner in the book of Charlie Drexler's life.** When the reformed bad boy returns to his hometown of Tangleheart, Texas to make peace with his dark past and make amends to those he's wronged, he's also hoping for a second chance at love with the girl he left behind.

**Charlie "Drex" Drexler was the love of Anna's life but she never found the courage to tell him.** Not surprising, since silence was a way of life for Anna. When her mother left town, abandoning seven-year old Anna and her big sister Simone, Anna didn't speak above a whisper for years. Now Charlie's back looking to reconnect and Anna's big sister and infant nephew have suddenly gone missing.

**Will Anna find her voice in time to save her beloved sister?** And can Drex and Anna mend their broken hearts while dodging bullets and racing to bring mother and baby home safely?
