Lie Next To Me (A Millionaire's Love) Sandi Lynn

From the New York Times, USA Today & Wall Street Journal Bestselling Author..

A USA Today Bestselling Novel..

The pain was unbearable, but I had to keep moving. I had to keep running because, if I didn't, he'd find me. I looked behind me as I ran through the streets; scared, alone, and in the dark as the mist of rain hit my face.

There was no time to think, and there was no time to stop. My shoes were soaked as they sloshed through the puddles of the dimly lit streets.

My name is Rory Sinclair, and the night I was violently attacked was the night that changed my life forever. One man, a man named Ian Braxton, made it his mission to heal me, to save me, and to show me a world that previously had been only a dream to me.

Ian Braxton is far from perfect. He's a self-absorbed, demeaning, arrogant, and womanizing millionaire. He makes it so easy to hate him, but so very hard to resist him. We're from opposite sides of the spectrum. He comes from money and I come from poverty. When our worlds collide, his struggles become mine, and mine become his, leaving us with one question:

How much would you give up to be with someone who was meant to be yours?

18+ due to mature content

From reader reviews:

Tracey Egan:

What do you think about book? It is just for students because they're still students or the idea for all people in the world, exactly what the best subject for that? Just you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be compelled someone or something that they don't want do that. You must know how great in addition to important the book Lie Next To Me (A Millionaire's Love). All type of book could you see on many solutions. You can look for the internet options or other social media.

Lawrence Fox:

What do you about book? It is not important to you? Or just adding material when you require something to explain what your own problem? How about your free time? Or are you busy person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? All people has many questions above. They should answer that question simply because just their can do that will. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on kindergarten until university need that Lie Next To Me (A Millionaire's Love) to read.

Travis Mahon:

Reading a book tends to be new life style in this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only the storyline that share in the publications. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some investigation before they write with their book. One of them is this Lie Next To Me (A Millionaire's Love).

Daniel Hutchison:

A lot of publication has printed but it is different. You can get it by internet on social media. You can choose the very best book for you, science, comic, novel, or whatever by simply searching from it. It is known as of book Lie Next To Me (A Millionaire's Love). You can include your knowledge by it. Without making the printed book, it can add your knowledge and make an individual happier to read. It is most crucial that, you must aware about guide. It can bring you from one destination for a other place.
