WINNER OF THE RIDENHOUR PRIZE

"Essential reading for anyone concerned about how America got Afghanistan so wrong. A devastating, well-honed prosecution detailing how our government bungled the initial salvo in the so-called war on terror, ignored attempts by top Taliban leaders to surrender, trusted the wrong people, and backed a feckless and corrupt Afghan regime . . . It is ultimately the most compelling account I've read of how Afghans themselves see the war." --*The New York Times Book Review*

In a breathtaking chronicle, acclaimed journalist Anand Gopal traces the lives of three Afghans caught in America's war on terror. He follows a Taliban commander, who rises from scrawny teenager to leading insurgent; a U.S.-backed warlord, who uses the American military to gain wealth and power; and a village housewife trapped between the two sides, who discovers the devastating cost of neutrality. Through their dramatic stories, *No Good Men Among the Living* stunningly lays bare the workings of America's longest war and the truth behind its prolonged agony.
