Notes on Hospitals

Florence Nightingale

Notes on Hospitals Florence Nightingale

The founder of modern nursing expressed her revolutionary ideas of hospital reform in these two essays, published in 1859 and presented the previous year at the Social Science Congress. During the Crimean War, Florence Nightingale achieved renown as The Lady with the Lamp, the tireless caretaker of wounded soldiers. Afterward, Nightingale searched Europe for innovations to help the army improve its hospital care. This report of her findings and suggestions had a profound effect on the medical community and reestablished the author as an international healthcare authority.

Despite the advances in medical knowledge since Nightingale's era, her common-sense approach continues to form a solid foundation for nursing. In these essays she voices the importance of hygiene?fresh air and water, cleanliness, proper drainage, and ample light?as well as ongoing consideration for patients' feelings. Nightingale's ability to effectively articulate her ideas impressed her contemporaries and continues to influence modern readers. This volume serves as a companion to Nightingale's classic of nursing literature, *Notes on Nursing: What It Is, and What It Is Not*.

From reader reviews:

Edward Upton:

The book Notes on Hospitals can give more knowledge and also the precise product information about everything you want. Why then must we leave the great thing like a book Notes on Hospitals? Several of you have a different opinion about e-book. But one aim in which book can give many data for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or data that you take for that, you are able to give for each other; you are able to share all of these. Book Notes on Hospitals has simple shape but the truth is know: it has great and massive function for you. You can search the enormous world by available and read a publication. So it is very wonderful.

Shawn Howe:

Here thing why this kind of Notes on Hospitals are different and trusted to be yours. First of all studying a book is good nonetheless it depends in the content from it which is the content is as scrumptious as food or not. Notes on Hospitals giving you information deeper and in different ways, you can find any e-book out there but there is no book that similar with Notes on Hospitals. It gives you thrill studying journey, its open up your own personal eyes about the thing that will happened in the world which is probably can be happened around you. It is possible to bring everywhere like in playground, café, or even in your method home by train. If you are having difficulties in bringing the branded book maybe the form of Notes on Hospitals in e-book can be your choice.

Carl Harber:

This Notes on Hospitals is great e-book for you because the content which can be full of information for you who else always deal with world and have to make decision every minute. This book reveal it info accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but hard core information with splendid delivering sentences. Having Notes on Hospitals in your hand like obtaining the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world within ten or fifteen tiny right but this book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. occupied do you still doubt that?

Ronald Folk:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Notes on Hospitals can make you truly feel more interested to read.
