## The Oxford Handbook of Late Antiquity (Oxford Handbooks)

*The Oxford Handbook of Late Antiquity* offers an innovative overview of a period (c. 300-700 CE) that has become increasingly central to scholarly debates over the history of western and Middle Eastern civilizations. This volume covers such pivotal events as the fall of Rome, the rise of Christianity, the origins of Islam, and the early formation of Byzantium and the European Middle Ages. These events are set in the context of widespread literary, artistic, cultural, and religious change during the period. The geographical scope of this *Handbook* is unparalleled among comparable surveys of Late Antiquity; Arabia, Egypt, Central Asia, and the Balkans all receive dedicated treatments, while the scope extends to the western kingdoms, and North Africa in the West. Furthermore, from economic theory and slavery to Greek and Latin poetry, Syriac and Coptic literature, sites of religious devotion, and many others, this *Handbook* covers a wide range of topics that will appeal to scholars from a diverse array of disciplines. *The Oxford Handbook of Late Antiquity* engages the perennially valuable questions about the end of the ancient world and the beginning of the medieval, while providing a much-needed touchstone for the study of Late Antiquity itself.

#### **George Miller:**

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Oxford Handbook of Late Antiquity (Oxford Handbooks) can make you really feel more interested to read.
