## **The Truth about Islam** Ibn El-Neil

Non-Muslims in Islamic countries are exposed to the religion of Islam 24 hours, seven days a week, for their entire life (No freedom of choice here). They hear five prayers between 6:00 AM and 8:00 PM everyday on radio, television, Loud Speakers and other public address systems that cover every square inch of the country, whether they want to or not. They get to hear the Koran recited for hours every day. The non-Muslim is a second class citizen who is not allowed to rule or hold key position in the country. He can live in the abode of Islam as long as he doesn't preach his religions outside his community, doesn't insult Islam or criticize the Prophet, and he must pay a religion tax. The punishment for leaving Islam is death (most recently a young woman killed in Saudi Arabia and one in Jordan for leaving Islam; Sept. 2008]. Islam gives its followers the right to kill non-Muslims, and take their wives, children, and possessions as a booty blessed by the Koran and the Hadith. Only a Muslim man can legally lie to his wives, and his enemies.
