Michael K. Wons and John J. Goody

Complete IT Framework For Success Michael K. Wons and John J. Goody

We created the Complete IT Framework for Success publication series from Instant Einstein* to capture our thoughts and practical experience in dealing with the linkage between Information Technology and the management of the business enterprise. The methodologies and practices are designed for the thinking IT Manager or Business Manager who could take the concepts and ideas laid out in these books, and adapt and apply them to their own situation. This is the way we ourselves have used these methodologies. There is no one prescription or IT success, but by understanding and adapting these methods and practices to their own situation, the IT Professional or Business Manager can develop a strong Information Technology Group in alignment with the companies strategic plan and objectives.
