**Religion and the Reign of Terror, or the Church during the French Revolution** M. Edmond de Pressense

Of the general interest of whatever throws light on this great revolutionary crisis of humanity, I need scarcely speak. Of the crisis itself Mr. Alison uses these words: "There are few periods in the history of the world which can be compared, in point of interest and importance, to that which embraces the progress and termination of the French Revolution. In no former age were events of such, magnitude crowded together, or interests so momentous at issue between contending nations. From the flame which was kindled in Europe, the whole world has been involved in conflagration, and a new era dawned upon both hemispheres from the effects of its expansion. With the first rise of a free spirit in France, the liberty of North America was established."

Nisyros Publishers has a proud history of publishing high quality and rare titles.
