The Fall

Aeons ago everything changed... and you were there!

According to Joseph -- the ancient, highly evolved spirit communicator who has lived in an enlightened sphere of reality for thousands of years - you are 'not yourself'...

... there's much more to you than you imagine, and you have forgotten the cataclysm that created today's dysfunctional societies and wounded planet...

In the Fall, Joseph's new book, communicated through respected trance medium, Michael G. Reccia, he seeks to reactivate that astonishing inner knowledge, explaining and revealing your spiritual origins.

Each chapter is a eureka moment... helping you to 'at last make sense of it all' and, by the last page, many, if not all, of those elusive answers regarding existence and the great mysteries will be elusive no longer.

From the beginnings of the universe to the essential part you take in creation and the reason you are here ... if you seek meaning to life in general, and your life in particular, you absolutely, definitely should read the Fall.

...Your views of spirituality, science, and reality are about to change forever.

.....

Joseph: The whole point of this book is to explain why you are as you are now, why you come back here, and why the Earth is a hostile and violent place of seeming lack... to give you knowledge that should resonate with your soul from a time before the Fall so you can, through your heart-centre, reason your way out of reincarnation and out of the effects of the Fall. Then the planet can be restored to its former purpose and you can be restored to your former heritage.
