The Paladin's Odyssey (The Windows of Heaven Book 2) K.G. Powderly Jr.

Humanity is a race with amnesia, a symptom of physical and psychological trauma. Scars on planet Earth give disturbing testimony of vast upheaval.

The Windows of Heaven is the 5-novel epic of a blacked-out past. Yet some horrors won't stay buried...

The Paladin's Odyssey continues the saga of the Seer Clan's decline in a dying world that once surfaced Planet Earth, ages before our own. For U'Sumi, son of A'Nu-Ahki, being the butt of ethnic and religious prejudice is normal. Yet the Seer Clan's rejection of his father as the prophesied Comforter is the least of his problems.

Ruins crumble in dragon-haunted wastelands that were once thriving civilizations ruled by demigods and titans, as super-technologies in the hands of a power-hungry few drive a build-up for an inevitable super-war for global mastery.

Meanwhile, In distant Aztlan, the young priestess, Pyra, wonders if her horrific nightmares are mere dreams, or something more terrible. Aztlan's titans bask in hi-tech indolence over an empire enslaved by hypno-engineered superstition aided by the techno-sorceress Pandura, Pyra's grandmother. Then Pyra discovers terrible secrets under the temple laboratories...

When war breaks out, U'Sumi faces death on a vast scale as the Seer Clan combats Aztlan's invasion. All his life, his father warned him of the coming World-end. Now horrors of bio-mechanized warfare and gnawing doubts bring harrowing changes to U'Sumi's life when he is trapped inside the abomination of the enemy's most fearsome weapon. Here he discovers the hideous nature of Aztlan's power—a force already running amok and unraveling the very fabric of life on Earth...
