Upanishads Anonymous

An Upanisad is a teaching session with a guru, and the thirteen texts of the Principal Upanisads which comprise this volume form a series of philosophical discourses between teacher and student that question the inner meaning of the world. Composed beginning around the eighth century BCE, the Upanisads have been central to the development of Hinduism, exploring its central doctrines: rebirth, karma, overcoming death, and achieving detachment, equilibrium, and spiritual bliss. Speaking to the reader in direct, unadorned prose or lucid verse, the Upanisads collected here embody humanity's perennial search for truth and knowledge.

Valerie Roebuck's powerful new translation blends accuracy with readability and retains the oral style of these stirring and profound philosophical explorations. This volume includes an introduction to the text, information on Sanskrit pronunciation, suggestions for further reading, explanatory notes, and a glossary.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From reader reviews:

Linda Henderson:

What do you concentrate on book? It is just for students as they are still students or that for all people in the world, what best subject for that? Merely you can be answered for that problem above. Every person has several personality and hobby for each other. Don't to be compelled someone or something that they don't need do that. You must know how great and also important the book Upanishads. All type of book could you see on many resources. You can look for the internet sources or other social media.

Kevin Vargas:

What do you concerning book? It is not important with you? Or just adding material when you want something to explain what the ones you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to do others business, it is make you feel bored faster. And you have free time? What did you do? Everyone has many questions above. They have to answer that question because just their can do in which. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need that Upanishads to read.

Francisco Morgan:

Reading a book to get new life style in this 12 months; every people loves to read a book. When you study a book you can get a lot of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your review, you can read education books, but if you want to entertain yourself you can read a fiction books, these us novel, comics, as well as soon. The Upanishads provide you with new experience in looking at a book.

Darlene Kidd:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many question for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but in addition novel and Upanishads or maybe others sources were given information for you. After you know how the good a book, you feel wish to read more and more. Science reserve was created for teacher or maybe students especially. Those ebooks are helping them to bring their knowledge. In different case, beside science book, any other book likes Upanishads to make your spare time far more colorful. Many types of book like this.
