The soldier and the waitress.

They met by chance.

Jason Daniels was on his way out to Iraq. Another deployment. Another tour of danger and darkness. And all he wanted in his last few hours stateside was a moment of connection, of normalcy. In Kat, he finds not only delicate beauty but softness and sweetness. Behind that warm smile, she held a sincere heart that reached out to him.

Kat Ryans knew there had been something different about this soldier as soon as she had seated him. She had seen that hidden look of pain on his rugged face. With his hardened physique and powerful presence, it was clear that this man was nobody to be trifled with. But through it all, she still managed to see his wounded heart. A heart that needed a healing hand.

Together, they only had the one fleeting night before Jason left.

Two years pass.

Now Jason has left the Army, hollow and empty with only nightmares to fill his evenings. He fights every day to keep his sanity and to push away the darkness of his heart. He fights against the doubts he has of himself, wondering if he is just a lost cause.

Kat, having experienced her own wave of hardships and troubles, is fighting for her family and her town. Putting behind her own dreams of romance and love, she works to keep together the only place she had even been able to call home.

Then one fateful night, the soldier and the waitress meet again. Their lives collide completely and they see the wounds they have both gathered over the last two years.

But love is bravery. Love is courage.

Through love, can they both teach each other that they are not broken?
