Depp Christopher Heard

The truth behind Johnny Depp's bad-boy image in this definitive biography. Accidental actor? Bratty bad boy? Consummate craftsman? Take a little of each, and a whole lot more, and you've got Johnny Depp. Delectably dreamy, dramatically dynamic, and Depp-endably dedicated, this young actor is one of Hollywood's most popular leading men. Depp takes us on a wild ride through Johnny's life, its ups and its downs, its pinnacles and its depths. Join author Christopher Heard, an ardent fan and host of TV's Reel to Real, as he follows Depp's turbulent childhood in Kentucky, his leap into the limelight on TV's 21 Jump Street, and, finally, his extraordinary success in some of his generation's best films. Edward Scissorhands, What's Eating Gilbert Grape?, Donnie Brasco, Ed Wood, Fear and Loathing in Las Vegas — no other actor his age has such an incredibly diverse résumé. Depp explores his roles in these films and his relationships with their directors. Heard also provides as context the details of Depp's personal life — from his young marriage, through his years as tattooed Winona Ryder escort and as Kate Moss paramour to his current status as proud Parisian papa and Paradis lover. Scrutinizing Johnny's shifts as media darling and tabloid target and sifting the truth from the trash in what's been said about him, Depp is the definitive biography of one of this generation's most important, most impassioned, and most independent stars.

From reader reviews:

Mable Garza:

Here thing why this Depp are different and trusted to be yours. First of all looking at a book is good but it depends in the content of the usb ports which is the content is as scrumptious as food or not. Depp giving you information deeper and in different ways, you can find any guide out there but there is no reserve that similar with Depp. It gives you thrill examining journey, its open up your own personal eyes about the thing that happened in the world which is might be can be happened around you. You can actually bring everywhere like in park, café, or even in your means home by train. If you are having difficulties in bringing the imprinted book maybe the form of Depp in e-book can be your alternative.

Deloras Pinkston:

Do you have something that you enjoy such as book? The guide lovers usually prefer to decide on book like comic, limited story and the biggest some may be novel. Now, why not seeking Depp that give your entertainment preference will be satisfied simply by reading this book. Reading addiction all over the world can be said as the way for people to know world better then how they react towards the world. It can't be said constantly that reading routine only for the geeky man or woman but for all of you who wants to always be success person. So , for every you who want to start reading as your good habit, you could pick Depp become your own personal starter.

Kathleen Blackwood:

Are you kind of active person, only have 10 or maybe 15 minute in your time to upgrading your mind proficiency or thinking skill possibly analytical thinking? Then you are having problem with the book as compared to can satisfy your short space of time to read it because all of this time you only find guide that need more time to be read. Depp can be your answer mainly because it can be read by you who have those short extra time problems.

Jimmy Miller:

In this period of time globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. Often the book that recommended for you is Depp this guide consist a lot of the information on the condition of this world now. This kind of book was represented how does the world has grown up. The dialect styles that writer use for explain it is easy to understand. Often the writer made some analysis when he makes this book. This is why this book acceptable all of you.
