Jonathan Swift: His Life and His World Leo Damrosch

Jonathan Swift is best remembered today as the author of *Gulliver's Travels*, the satiric fantasy that quickly became a classic and has remained in print for nearly three centuries. Yet Swift also wrote many other influential works, was a major political and religious figure in his time, and became a national hero, beloved for his fierce protest against English exploitation of his native Ireland. What is really known today about the enigmatic man behind these accomplishments? Can the facts of his life be separated from the fictions?

In this deeply researched biography, Leo Damrosch draws on discoveries made over the past thirty years to tell the story of Swift's life anew. Probing holes in the existing evidence, he takes seriously some daring speculations about Swift's parentage, love life, and various personal relationships and shows how Swift's public version of his life—the one accepted until recently—was deliberately misleading. Swift concealed aspects of himself and his relationships, and other people in his life helped to keep his secrets.

Assembling suggestive clues, Damrosch re-narrates the events of Swift's life while making vivid the sights, sounds, and smells of his English and Irish surroundings. Through his own words and those of a wide circle of friends, a complex Swift emerges: a restless, combative, empathetic figure, a man of biting wit and powerful mind, and a major figure in the history of world letters.

From reader reviews:

Thomas Garcia:

Nowadays reading books be than want or need but also work as a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge even the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want get more knowledge just go with education books but if you want feel happy read one together with theme for entertaining including comic or novel. Typically the Jonathan Swift: His Life and His World is kind of reserve which is giving the reader erratic experience.

George Rodriguez:

Reading a book tends to be new life style within this era globalization. With reading you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Lots of author can inspire their very own reader with their story as well as their experience. Not only the storyplot that share in the publications. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some research before they write to their book. One of them is this Jonathan Swift: His Life and His World.

Joshua Castillo:

Playing with family in a park, coming to see the coastal world or hanging out with buddies is thing that usually you may have done when you have spare time, subsequently why you don't try factor that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Jonathan Swift: His Life and His World, it is possible to enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh seriously its mind hangout guys. What? Still don't get it, oh come on its referred to as reading friends.

Dennis Carson:

Is it a person who having spare time after that spend it whole day by watching television programs or just resting on the bed? Do you need something totally new? This Jonathan Swift: His Life and His World can be the answer, oh how comes? A book you know. You are so out of date, spending your free time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?
