**The Ethics and Mores of Race: Equality after the History of Philosophy, with a New Preface** Naomi Zack

Naomi Zack brings us an indispensable work in the ethics of race through an inquiry into the history of moral philosophy. *The Ethics and Mores of Race: Equality after the History of Philosophy* enters into a web of ideas, ethics, and morals that untangle our evolving ideas of racial equality straight into the twenty-first century. In the preface to the paperback edition, Zack addresses the criticisms raised in response to this book and concludes that a focus on rights and justice, rather than privilege, is the only fruitful pathway towards a functioning ethics of race.
