The Hollywood Posse: The Story of a Gallant Band of Horsemen Who Made Movie History Diana Serra Cary

After 1912, when the great cattle empires began to crumble, hundreds of seasoned cowboys found themselves jobless. A handful of discarded horsemen, however, stumbled upon an entirely new frontier-Hollywood. In a rare insider's view, Diana Serra Cary tells the story of these cowboys, who survived for another fifty years as riders, stuntmen, and doubles for the stars. Filled with humorous anecdotes, *The Hollywood Posse* reveals the full story of the cowboys' long and bitter feud with autocratic director Cecil B. De Mille; their relationships with the great Western stars—from the flamboyant Tom Mix to the durable John Wayne; and above all, their touching loyalty, code of honor, and devotion to each other.
