Weather to Fly: A Novel in Stories Christopher LeGras

Weather to Fly is a collection of adventure stories, tall tales in the great American tradition. Inspired equally by Mark Twain, Amelia Earhart, Pancho Barnes, and P. T. Barnum, they are war stories, ghost stories, and love stories. There's a World War II warbird that may or may not have a soul or a conscience; In an Alaska saloon a bush pilot who thinks he's dying reveals a long-hidden secret; And the unlikeliest of pairs falls in love in an airport terminal. By turns whimsical and heart-wrenching, like the best adventures they never end up where you expect.
