Tony Adams, Ian Ridley

Addicted Tony Adams, Ian Ridley

Adams writes what it's like playing with the best players in the game, from Gazza to Dennis Bergkamp; and working with some of the most successful managers, including George Graham, Terry Venables, Glenn Hoddle and Arsene Wenger. But above all, his story is that of a winner, a man who has brought the intense determination he has shown on the field to his recovery from illnesses off it. Adams recalls openly his descent into alcohol addiction, which at one point saw him jailed for drink-driving. Just as he was finding his feet again after the slow rehabilitation process, problems with his marriage surfaced and soon after Adams found himself heading for a divorce. He talks honestly about that traumatic period in his life and also about the pressures and demands of being a top-class footballer in the modern era.

From reader reviews:

Esther Belote:

Now a day individuals who Living in the era exactly where everything reachable by talk with the internet and the resources inside can be true or not need people to be aware of each info they get. How individuals to be smart in acquiring any information nowadays? Of course the correct answer is reading a book. Reading a book can help folks out of this uncertainty Information specially this Addicted book since this book offers you rich information and knowledge. Of course the information in this book hundred pct guarantees there is no doubt in it everbody knows.

Johnny Ballance:

This Addicted is great e-book for you because the content which is full of information for you who also always deal with world and also have to make decision every minute. This book reveal it details accurately using great arrange word or we can say no rambling sentences within it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but hard core information with splendid delivering sentences. Having Addicted in your hand like obtaining the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world inside ten or fifteen moment right but this e-book already do that. So , this can be good reading book. Hi Mr. and Mrs. busy do you still doubt in which?

Virginia Berry:

It is possible to spend your free time you just read this book this book. This Addicted is simple to develop you can read it in the area, in the beach, train in addition to soon. If you did not include much space to bring typically the printed book, you can buy the particular e-book. It is make you easier to read it. You can save often the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Larry Luis:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Addicted can make you sense more interested to read.
