Frames of Reference for Pediatric Occupational Therapy Paula Kramer PhD OTR FAOTA, Jim Hinojosa PhD OT BCP FAOTA

No other text provides such comprehensive information about pediatric practice for the occupational therapy student and practitioner. Organized by nine frames of reference, it provides a method of combining theory and practice that makes theoretical material clearly relevant to function, thus helping the reader to conceptualize and initiate intervention. New to this edition are two additional frames of reference, four new case studies, and numerous illustrations and photographs.
