India: Development and Participation

Jean Drèze, Amartya Sen

India: Development and Participation Jean Drèze, Amartya Sen

This book explores the role of public action in eliminating deprivation and expanding human freedoms in India. The analysis is based on a broad and integrated view of development, which focuses on well-being and freedom rather than the standard indicators of economic growth. The authors place human agency at the centerstage, and stress the complementary roles of different institutions (economic, social, and political) in enhancing effective freedoms.
