## **My Mother Killed Christ: But God Loves Me Anyway** Katie Roberta Stevens

Every person has her secrets. If Katie can forgive her mother and herself for theirs, readers of this book can certainly find it in their hearts to forgive their own transgressions. This deeply affecting memoir by a Catholic schoolgirl during the 1960s shares her inspiring journey from an abusive childhood with a schizophrenic mother to an adulthood of redemptive love. *My Mother Killed Christ: But God Loves Me Anyway* is a triumphant memoir detailing the life of Katie Murphy, a 1960s Catholic School girl struggling to keep the faith acquired at school in a home ruled by a mentally ill mother who believed she killed Jesus Christ. This life story is not divided into years, but into episodes capturing her family's chaos, created by an absentee father and a mother frequently committed to a mental hospital. She and her four siblings are forced to shoplift food, toiletries and clothing to survive. Meanwhile, Katie's misguided search for parental love leads to an ongoing affair with a priest in high school, marriage to a man twice her age in college, and a twelve year affair with a married man in adulthood. She finally learns the truth about her childhood. Successful, safe and loved today, she lifts the veil of self-blame and anger to trace a path to true forgiveness. The author shares poignant proof that, with conviction, compassion, and truth, even the most damaging past can be transformed into a peaceful and meaningful present.

#### **Janice Hayes:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this My Mother Killed Christ: But God Loves Me Anyway can make you experience more interested to read.
