Go behind the scenes in the studio of Mathew Brady, celebrity photographer and chronicler of the Civil War. Meet all the illustrious Americans who sat in front of his famous camera, and even those who didn't. Here is James Buchanan, erstwhile President of the United States, who worries about his appearance; Mother Ann Lee of the Shakers who weaves in and out of focus; P.T. Barnum, who orchestrates his public image and Herman Melville who takes us to special places where even Brady's lens cannot follow.
