To millions of listeners, *Born to Run* is much more than an album—it's a poetic explosion of the freedom and frustration of youth. The album made Springsteen a megastar, and confirmed him as the rocker who, more than any other, gives voice to our hopes, fears, and aspirations. *Runaway Dream* chronicles the making and significance of Springsteen's masterwork, deftly sketching the ambition, history, and personalities that created an enduring work of art.
