Are the Allah of Islam and the God of the Bible one and the same? Do Mormons, Catholics, and Protestants share the same beliefs? What's the difference between the Christian Bible and the Islamic Quran? What is a Christian? The Journey We Must All Take, by author Al Perez, provides clear and concise answers to these and many more questions in straight-forward, plain, layman's language. In addition to answering basic questions concerning religion, Perez looks at the different world belief systems-from Atheism to Pantheism and Monotheism-and compares their beliefs in seven common key areas. He offers clear, rational arguments to help ascertain the validity of each religion and their specific beliefs. The Journey We Must All Take provides brief histories on Islam and Judaism and concludes with a comprehensive discussion on the Bible and Christianity. Using personal examples from his own spiritual journey, Perez presents a Christian apologetics written for the layman that will guide them through the maze of religions and beliefs.
