It is quite obvious that we are undergoing a major shift in America. This shift has been going on for quite some time now. The United States is now trillions of dollars in debt because of government spending. Neither the president or congress seem to have a solution that will balance the budget and curb spending. This is a problem Americans cannot continue to ignore. The American debt will likely continue to increase until lenders no longer extend credit to us.

This book will cover:

Why You Should Always Be Prepared For Economic Collapse

How you can prepare for an Economic Collapse

Bartering 101 In a World With No Cash

Surprising Items To Stockpile To Prepare For An Economic Collapse

Becoming Self-Sufficient- An Introduction To Homesteading

Food that Disappear First During an economic Collapse
