## **International Environmental Management Benchmarks: Best Practice Experiences from America, Japan and Europe**

This book shows what sustainable development means for the business community and presents best practice approaches in environmental management from Japan, the USA, Brazil and seven European countries. It stresses that international competitiveness depends on the effective use of innovative management tools and has to be supported by an intelligent system of environmental regulation. Experts with many years of practical experience share their knowledge of how to achieve excellency in environmental performance, and present concrete steps towards a sustainable company.
