A Lexi Carmichael Mystery

Italy might seem like a long way to go to hide after a disastrous date. But when sexy überhacker Slash (no, that's not his real name) asks me to go with him to Rome on an investigation, the timing is sort of perfect. My messed-up love life becomes the least of my worries, though, after the dead body, the near-kidnapping and the discovery of a top secret encrypted file that even I can't hack.

With time running out, there's only one thing to do: call in the legendary Zimmerman twins and my best fluent-in-Italian friend, Basia, to crack the code. Now if only someone could help me solve the mystery of whether Slash is flirting, or if all the kissing is just one of those "when in Rome" things...

But when we finally uncover the secret someone would kill to keep, it's up to me to solve the case and save the lives of my best friends.

Just another week in the life of geek-girl Lexi Carmichael.
